# USMAN BAHOO

Junior MERN Stack Developer

**Phone: 92316 6384646**
**Email Address: usmanbahoo381@gmail.com**
**Linkdine: https://www.linkedin.com/in/usmanbahoo**
**Address: Lahore, Pakistan**

## SUMMARY

I am a motivated and self-driven Computer Science graduate with a strong foundation in the MERN stack. I have a passion for developing innovative web solutions and am eager to contribute and grow in a collaborative team environment. My technical skills include proficiency in JavaScript, React.js, Express.js, and MongoDB, which I have applied in practical projects to enhance user experiences

## KEY ACHIEVEMENTS

**Final Year Project**

Developed a food ordering system that enhances customer satisfaction and operational efficiency in the food service industry
